PETITIONER'S COMMENTS

Please accept these comments as restated below from  
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public  
interest would be served by allocating Channel 269A to  
Hornbeck, Louisiana as that community's first local FM  
service. Hornbeck, Louisiana is an incorporated community  
with its own zip code and a population of 450 people.  
Hornbeck has its own volunteer fire department, post  
office, mayor, Clarence Beebe, city offices and a number of  
local churches. Hornbeck is a community that is certainly  
deserving of local FM service. The proposed channel 269A  
will provide additional diversity and an outlet for local  
self-expression to Hornbeck residents and therefore is in

the public interest.

Should this petition be granted and Channel 269A is allotted to Hornbeck, Louisiana, Petitioner will apply for Channel 269A at Hornbeck and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Crawford', is written over a horizontal line.
